I am writing to register my strong objection to the proposed change of replacing the word Hinduism with Ancient Indian Religion or similar (CHSSP comments##2439, #2480, #2730, #2734) from recommendations published on 14th March 2016.

I am also registering my doubt with this email on the timing of the considering so radical changes , at the end of hearing with IQC.

My letter attached.
